

## Employment Summary – MPA

The employment rate for the MPA program is calculated at 6 months following graduation as required by NASPAA. Students who were employed in a position related to their degree program while in school and continued in that employment after graduation are included in the employment rates. Selected employers and positions highlight the range of career interests.

	10-15	14-15	13-14	12-13	11-12	10-11
